FOT 59 NEWS

FOR STARTERS I would like to Thank you for this opportunity. For 20 yrs I've been fighting to prove A Innocent Freedom. I have written countless states and letters to lawyers & Judges on this mans behalf. D.N.A testing should have been done to prove VERNON T. BATEMAN'S INNOCENCE. I WAS NEVER CALLED to testify in open court to the statement that was made against VERNON BATEMAN. I UNDERSTAND that you can NOT CROSS EXAMINE A PIECE OF PAPER - but you CAN CROSS EXAMINE a human being ME. The statement that was made on Jan. 23, 19 was a lie and was made by Det. MARY BANKS, & MYSELF. I have been silent for too long, this evidence should have been brought to the courts attention, 20 yrs ago. Why is this Innocent man still in prison over a FALSE statement, when D. TESTING CAN PROVE his INNOCENCES? VERNON BATEMAN WAS NEVER AT 400 PROGRESS CT., that was made up by ME & Det. MARY BANKS. The reason I am writing this letter is because I WAS AT THE location and this is all because of ANGELA TRUITT and myself agreed to have sex for DRUGS. I think the reason why D.N.A test WAS NOT USED in VERNON BATEMAN'S behalf is

BECAUSE DRUGS WAS IN HER SYSTEM. I would like to know how my voice can be heard in this matter? I would like to do an interview with Fox 59 news to let my voice be heard, or any other network that is willing to help my fight for justice on behalf of Vernon Bakman. I am an older man now & I know right from wrong. I was wrong with myself & Det. Mary Banks help convict an innocent man. I have lived with this lie for 20 plus years. Please help me in this matter.

Thank you.

Respectfully
Saxon Foley
